Group Overview

1940
Established

One of Kuwait's most prominent business groups, Al Kazemi Group, started operating in the 1940's to provide shipping solutions; and has since diversified into several sectors, maintaining their status as a market leader across several key industries.

500+
Employees

They exclusively represent major international companies and brands in Kuwait ranging from EPC contractors, shipping lines, airlines, service providers, consultancy firms and F&B suppliers. The Group also executes a large amount of projects in both the government and private sectors with over 10,000 foreign manpower under the group sponsorship working on current projects.

100+
Million USD
Annual Turnover

Through shipping and logistics, we carryout shipping services of all ranges, including project cargo, refrigerated cargo, packing and crating services, door to door services, and much more. This is further enabled through the diverse services and sizeable assets of machinery, vehicles, trailers, and equipment.

60+
