HAVENER
LOGISTICS

Introduction

At Havener Logistics, we pride ourselves on being a solutions-based organization and take time to understand each customer's individual business needs. From sourcing and manufacturing through delivery and return, we apply precision technologies and extensive experience to formulate logistics solutions specifically targeted to meet your logistics challenges

We offer international air/ocean freight forwarding, warehousing, distribution and integrated customs services, on a business platform relying on our global network and the know-how and rich experience gained by our personnel adding value to our customers' supply chain.

Havener Logistics associates on a global network of some 630 Offices in 322 Cities spread across 128 Countries worldwide to deliver a comprehensive service to the highest quality standards.

International Freight forwarding Services

Havener Logistics offer worldwide freight forwarding service via Sea & Airfreight services in association with our extensive international network of Agents. We have a choice of multiple carriers giving you that much needed flexibility and dependability. With a reputation based on trust and integrity, we offer you a means of transport that's both cost-efficient and time-critical.

Shipping Agency Service

Havener Shipping Services provide prompt, efficient and effective agency services to vessels, principals and service providers. From an experienced centralised operational hub, Havener Shipping Services' dedicated team provides outstanding communication and knowledge of ports, commodities and compliance requirements for any UAE port.

Container Loading Hanging Loading & Ramp Loading

Container Loading
Hanging Loading & Ramp Loading

CONTAINER LOADING

Our technicians take measurements of each car and build platforms from solid wood and use metal ramps to drive cars onto the top level where they get secured

RECEIVING & INSPECTING

Every arriving car goes through a thorough inspection backed up with pictures before it can be accepted for shipping. We want to establish that the condition of each vehicle is up to expectation of our customer.

LOADING CONTAINER - 2

Our customers trust us with their very special "toys" knowing that we have the experience and skills to ship their vehicle safely to its final destination overseas.

CAR LOADING

Ground level cars are always covered in plastic to be completely protected.

Automobile Logistics Multiple Car stuffing to containers

Our well experienced staff and equipped warehouse enable us to renter the facility to load multiple Cars, SUVs, Pick up & Mini Vans in one container at our warehouse facility at Awir. We are professionals & specialist in loading 3 - 6 Cars in 40' HC container. Each car given into our trusted hands to ship receive "white glove" service.
