RATESHEET

Rates from our Dubai Branch

Dear Friends,

As you are aware that our majority of the business is now focused on medical supply products all around the world and the best source of availability is China for the larger quantity , the rates are very high when we ask airlines also the space is very critical including charters availability is from June. We have a solution for you to start using SEA/AIR via DUBAI at an attractive price and faster connection. The transit time from China ports to Jebel ali is only 14 – 16 days and transfer in Dubai takes 24 hours with a flight time from 4 to 5 days to Europe major airports.

We have offered below all in rate for AIR/AIR and SEA/AIR rates.

Sea – Air Movement Charges
