Introduction

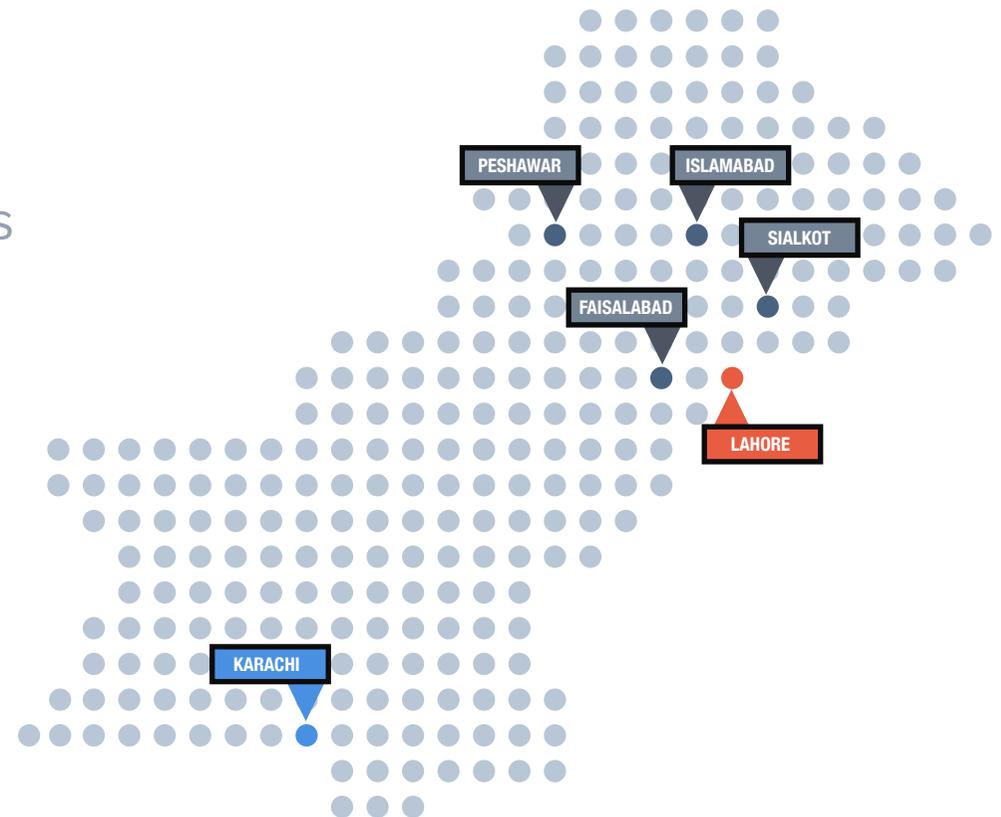

**WHO  
WE'RE**

SINCE 1980

Our roots in this industry dates back to 1980, started as a customs clearing company. Which over the time has gone through organic growth, resulting in the foundation of freight forwarding division in the year 1998. Ultimately, this business was incorporated under the name and title of 'Tron Global Private Limited'.

## Foundation **OUR ROOTS**

SINCE 1980

We are among the very a few companies in Pakistan that have as deep roots in this industry as we do. This is because, there are very a few companies around that have gone through the same business cycle of growth as we did. It won't be an overstatement, that we are among the two or three companies here, who are as professional in customs brokerage as are in freight and logistics.

## Evolution **ORGANIC GROWTH**
