

GOODS AND SAFETY. DELIVERED.

**SOME COMPANIES REALLY CARE ABOUT
GETTING THEIR GOODS DELIVERED ON TIME.**

THAT'S WHERE WE COME IN.

Since the birth of our company, we have been 100% focused and committed to one simple business idea: delivering our clients' goods safe and on time, in an environmentally friendly manner, and always true to our code of conduct.

This business idea is realized through the provision of a wide range of global forwarding solutions for all kinds of freight. Our expertise extends beyond road transportation to cover seafreight, air cargo, cargo insurance, warehousing and customs clearance. We also have extensive, proven expertise in the transportation of over-sized project cargos.

Welcome to Neptun Transport. We would be honored to take full responsibility for your cargo too.

NO ONE LOVES THE ROAD LIKE WE DO.

BY ROAD

Neptun Transport is a specialist provider of transport services between Scandinavia and Eastern and Southern Europe, the Balkans, Turkey, Middle East and Central Asia.

We offer both export and import services in our own closed roundtrip systems. Dedicated partners at all destinations, allows us to maintain optimal service levels for our clients.

NEPTUN PHARMA

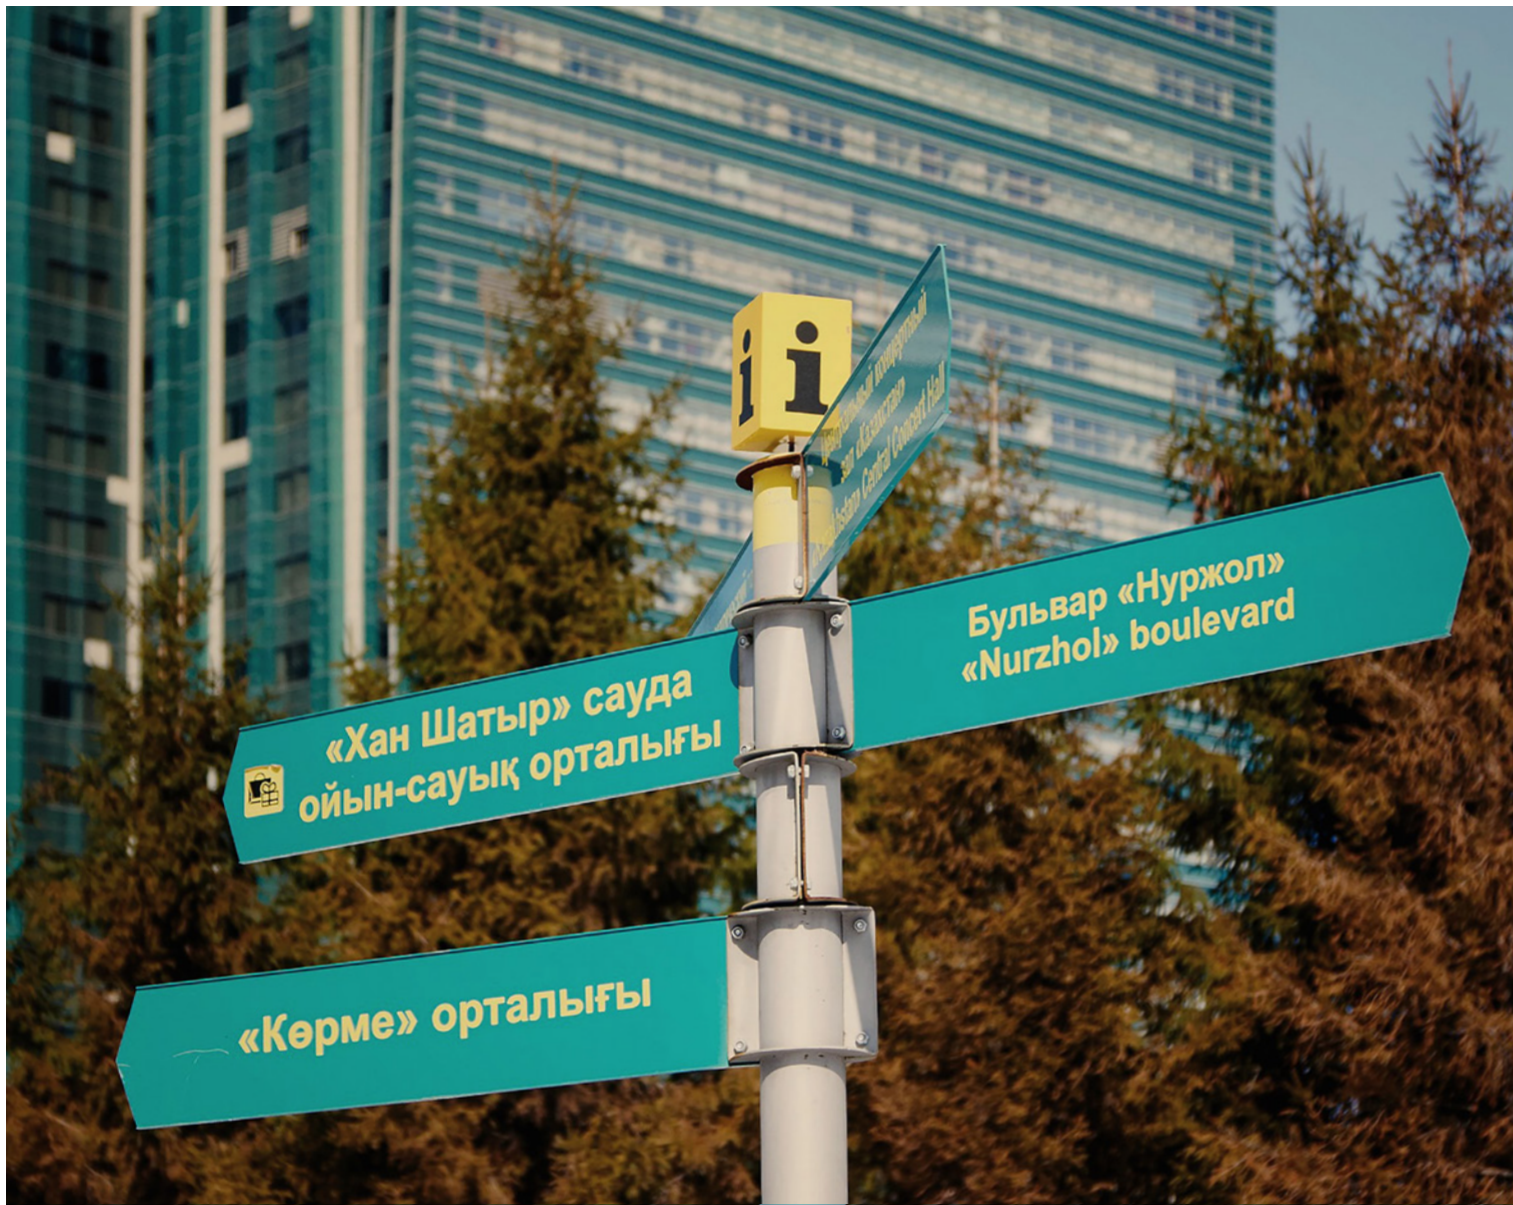

The Neptun Pharma concept originated from our long and extensive experience in the transport of pharmaceutical products. Our service includes temperature surveillance from start to stop, and our GDP trained personnel have extensive experience when it comes to pharmaceutical transport, ensuring constant quality control throughout the transport operation.

BY SEA AND AIR

Neptun Transport can transport your Sea and Air shipments worldwide. We tailor our solutions to fit your needs, such as oversize, time sensitive, temperature-controlled or IMO cargo, at competitive rates. All shipments are undertaken in cooperation with our international partners which allows us to offer door-to-door solutions, including customs brokerage services if required.

PROJECT

Neptun Transport has many years of experience in transportation and shipping of oversized and heavy lift cargo worldwide. A Neptun representative is always present in port of loading and port of discharge when dealing with project cargo. This ensures professional and safe operations with a strong focus on safety rules and regulations. Welding and lashing are always performed in accordance with IMO standards. We offer cross trade solutions. Door-to-door solutions. Full charter and part charter solutions based on quality heavy lift carriers.

OUR SPECIALITY: NAVIGATING THE EAST.

Since 1990 Neptun Transport has developed a solid reputation as a specialist provider of transport services and is considered the market leader between Scandinavia and Poland, Czech Rep., Slovakia, Austria, Hungary, Slovenia, Croatia, Serbia, Bosnia-Herzegovina, Kosovo, Montenegro, North Macedonia, Albania, Russia, Romania, Moldova, Ukraine, Bulgaria, Greece, Turkey, Caucasus, Iraq, Iran and Central Asia.

We have a modern and environmentally up-to date fleet of trucks with experienced drivers operating regular services to/from our principal destinations. The fleet is further complemented by a network of carefully chosen Eastern European carriers, enabling us to offer both groupage, part and full-load solutions at competitive prices.

Contact the Neptun Team to enquire about our rates, or simply to ask for our advice.

We pride ourselves on our professional approach and fast response times.

LONG DISTANCE. CLOSE CONTACT.

All transports are continually monitored by our staff, to ensure full control and latest status are always available. This allows us to always be able to offer quick responses and high service levels for our clients.

ANY SIZE. ANYWHERE.

Neptun Transport specializes in large and heavy cargo, and no transport challenge is too complex for us. We are especially renowned for our services involving the transportation and shipping of wind turbines, which we deliver door-to-door, worldwide.

Our services include:

- Carrier selection
- Full charter/part charter
- Professional shipping and planning
- Storage arrangements
- Customs clearance
- Loading & discharge
- Transit supervision
- Day-to-day information
- Complete report/Statement of facts
- Port supervision

For all larger transport assignments, a representative and specialist from our team will always be present at the ports of destination to supervise offloading, as well as reloading and securing on-going transport.

MEET OUR BUSINESS TEAM.

We call it 'Working the NEPTUN Way', and the Neptun Way means that our clients and partners can always expect a friendly and solution-orientated approach, fast response times, and full dedication to our client's requirements. These principles are the cornerstones in our way of working.

... AND MEET OUR BOSS.

30 years in the business has taught us that ensuring that deadlines are kept, and safe arrival, is the number one priority for our clients. For this reason, all employees in the Neptun Transport organization share the deepest respect for our common boss: the Clock.

OUR GOAL IS TO STRENGTHEN OUR CLIENTS' MARKET POSITION.

Our mission is to help strengthen our clients' market positions through use of our highly educated and competent staff and our specialized and standardized transport and logistic solutions for selected focus markets.
