Chennai - 600 004.

Headquartered in **Chennai**, with smart
offices in Bangalore and Mumbai.

We are GIVVEN, a digital freight forwarding company with a team of experienced professionals in freight forwarding and international logistics, on a mission to eliminate the complexity, lack of visibility, and unreliability that plagues the international shipping industry.

We provide our customers with all the services that they require under one roof, let it be a simple port-to-port freight movement, or managing their most complex supply chains.

It is all GIVVEN with us.

Our range of portfolio of services, rapidly increasing geographical reach and systematic operations help to establish one of the trusted logistics partners for many. As we move forward together while appreciating and creating the future.

GIVVEN will be soon expanding with strategic partners in the US and Europe.
