COMPANY PROFILE

INTRODUCTION

We are an International Freight Forwarder based in the economic hub of Sialkot, Pakistan. We are serving our valuable clients from many years. We have expertise in handling Air Freight, Railway Transportation, Roadways Services, Sea Freight, Customs Clearance Services, Port Handling Services, and Warehousing Services. With a team of shipping/logistics experts working diligently to ensure that your cargo handled in the safest, speediest and the most cost effective way possible, your shipments are monitored end to end within our network, giving you information you need, when you need it. Propounding reasonable rates and providing efficient, cost effective services allows our clients to focus on their core businesses without worrying about their cargo.

Our key strength lies on the four pillars of honesty, hard work, professionalism and personalized customer service. This allows us to foster a strong relationship with our clients.

“Your business is our priority”
