## SITC Logistics Korea Ltd was found in 2000 as a millennium forwarder

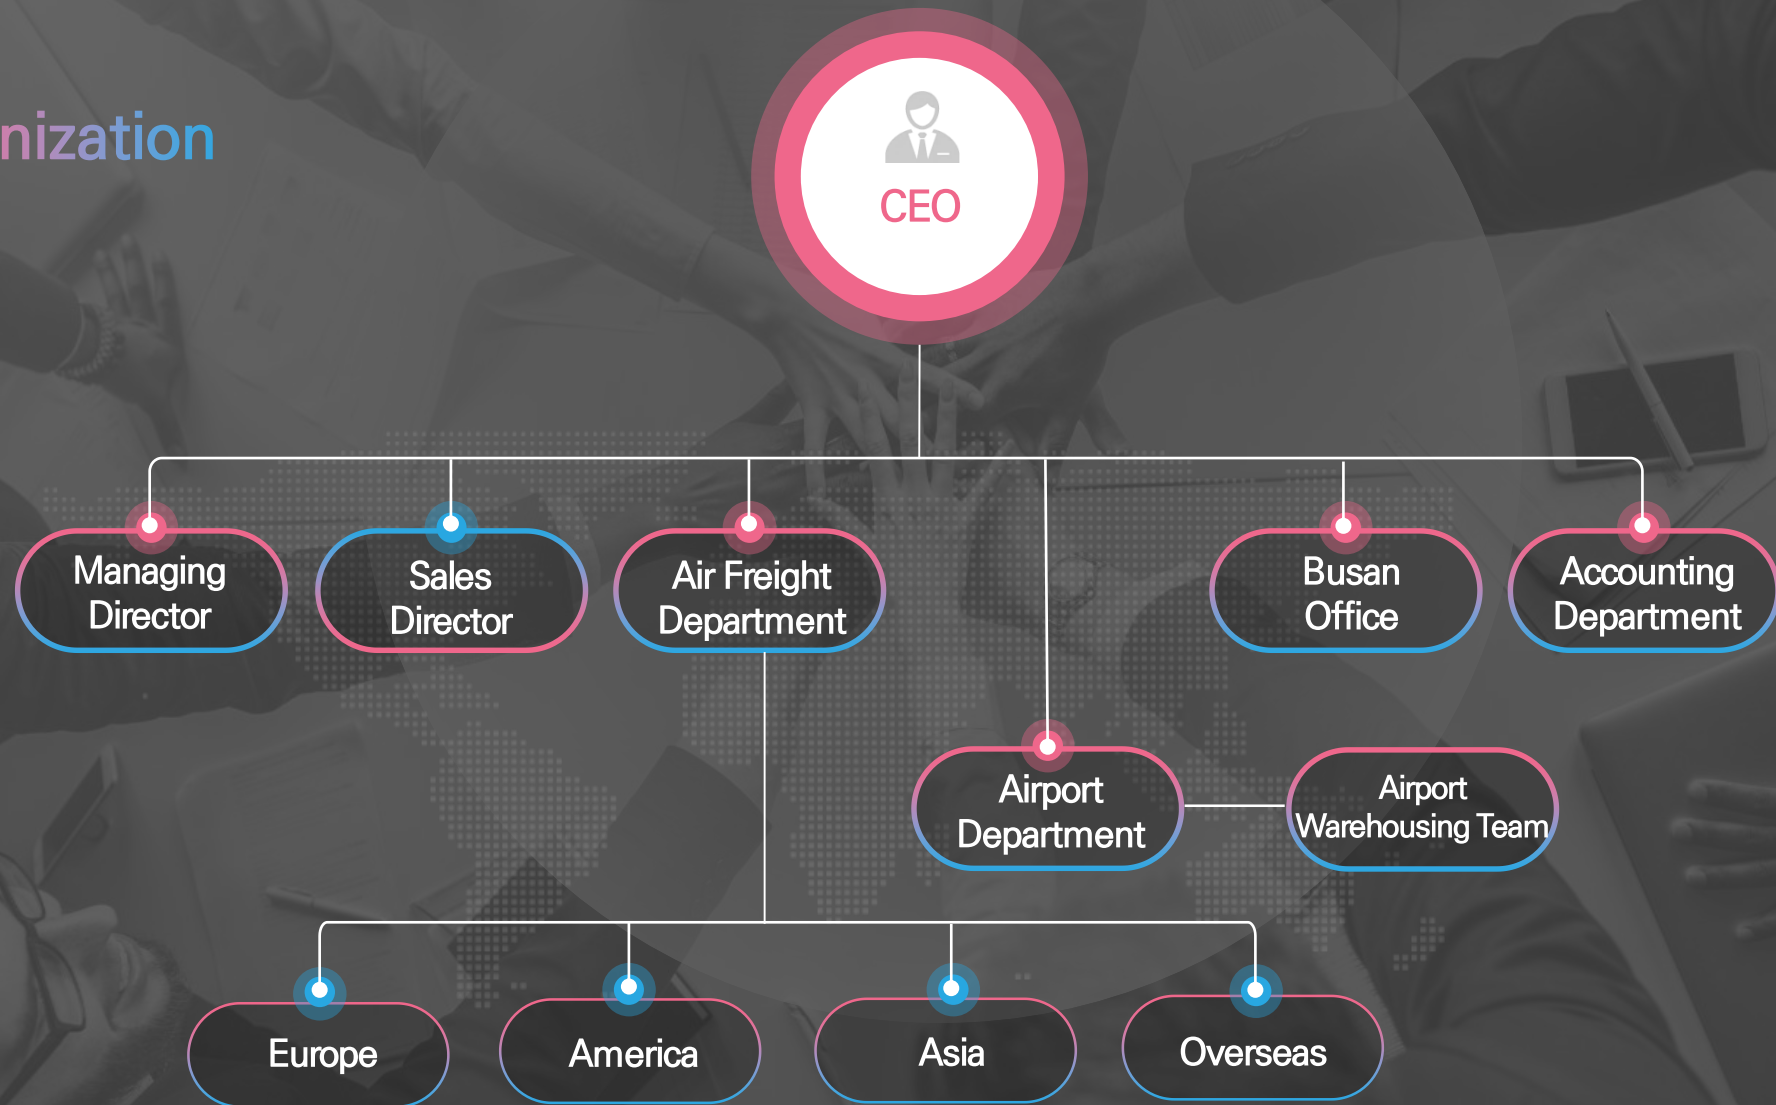

We were permitted from Korea Ministry of Transportation to do international multi-transportation business (#1451) and are registered on member agent of Korean International freight Association

Nevertheless of short history, SITC Logistics Korea Ltd has ranked top 20 agent among 4,000 logistics companies in Korea.

To Keep the competitive rate and service, we are running block space agreement and special contract with all major shipping lines and Airlines such like Korean Air, Lufthansa, Cathay Pacific, Hanjin shipping, Hyundai, K-line etc.

We are sure of being your ultimate cooperater and partner, making the most of such competitive edge as well-prepared facilities, technical know-how and high spirits of customers-oriented staffs in our organization

# SITC Organization
