# Business Cooperation

## Meet Partners in Brazil

In March 2023, we went to Brazil to participate in exhibitions and visit customers, maintain good cooperative relations with old customers, develop new customers, and seek more cooperation opportunities.

## Visited Customers And Participated In Exhibitions

### In Dominican Republic

In May 2023, CNS went to Dominican Republic to participate in the TWIG exhibition, and take advantage of the opportunities provided during the exhibition to have face-to-face talks with potential partners and customers, develop new customers, and visit customer companies to establish long-term cooperative relationships.

### In Mexico

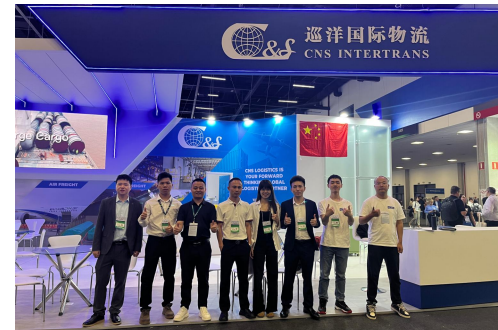

From June to August 2023, CNS team set off to Mexico again, exhibiting in Mexico, visiting existing cooperative customers and developing potential customers. CNS is focused on building strong partnerships and looking for opportunities to expand and deepen partnerships to advance business in international transportation between China and Mexico.

## Participate in the Intermodal South America 2024 held in Sao Paulo

CNS team went to Sao Paulo to participate in the Intermodal South America 2024 from March 5 to 7, 2024, demonstrating our high-quality services to the Brazilian market. We will strengthen cooperation with old customers and develop new customers at the exhibition. This exhibition not only strengthens our communication and exchanges with customers from South American countries, but also promotes trade cooperation between China and Brazil.

CNS Intertrans thank you for your trust and support!
