

**Consolidation Services reduce costs**

With our buyer's consolidation services, you will have reliability, less cargo handling and fewer units to handle at your end destination. Buyer's consolidation services give you reduced costs and environmental savings and offer full transparency in a more simplified manner compared to multiple LCL shipments.

**Imports & Exports Operations**

Whether it is importing or exporting, ASFIPL provides the experience and "know-how" in imports and exports to our air freight and sea freight logistics service. These are for both perishable and general cargo.

Dedicated and specialized teams produce and process all the import/export documents and administration in-house. This enables quick and crisp clearance for our integrated services to and from destination. We can collect and deliver your airfreight consignments directly at all airlines operating to and from India. Our scale of operation enables us to procure the best space availability and rate when you need it most.

**ATA Carnet**

We are having expertise in arranging the ATA Carnet in India with FICCI and do ATA Carnet Clearances on PAN India ports.

**Carnet De Passage**

We do arrange Carnet De Passage Clearance in India for the Tourist to take and roam around India on their own vehicle with approvals from Automobile associations in India and as per CDP issued by FIA.

**One Stop Solution**

Ensuring that all the solutions are executed rapidly, accurately and to perfection, specific coordinated operations guarantee that the service level that we boast of are achieved.

**Cargo**

We have the expertise in customs clearance of garments, auto parts, foodstuff, pharma, medical equipment, electronic hardware, communication hardware, ADC, granite, furniture wooden articles, etc.,

**Aerospace & Time Critical Logistics**

Aerospace logistics, In a case like this the emergency logistics comes as the savior from dire need. Especially in an Aircraft-on-ground situation, the fast delivery of spare parts is essential. That is why AOG has become a byword for particularly urgent shipments. With this attribute, everyone involved knows that every minute is of importance.

**Aerospace Logistics & Time Division**

Aircraft on Ground means that a Plane cannot fly for technical reasons. For everyone involved - the airline, passengers and senders of airfreight this is a troubling scenario. A grounded airplane creates delays in air traffic, cancellation of flights and unhappy customers. This can get very expensive and generates daily costs in the six-and seven-digit area.

In a case like this the emergency logistics comes as the savior from dire need. Especially in an Aircraft on ground-situation, the fast delivery of spare parts is essential. That is why AOG has become a byword for particularly urgent shipments. With this attribute, everyone involved knows that every minute is of importance.

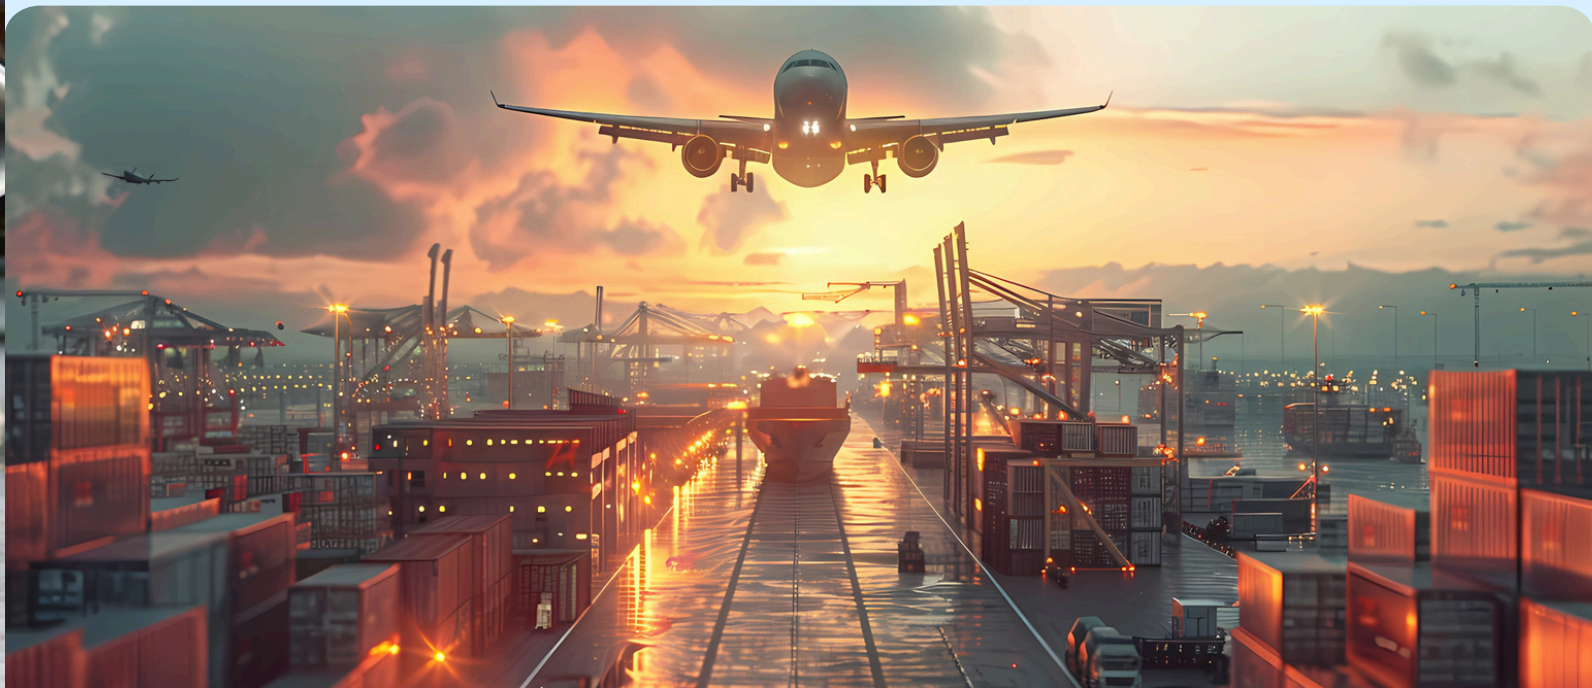

**AOG 24/7**

Our technical experts provide you with comprehensive, integrated on-site support to get your aircraft back up and running quickly and safely. We have a dedicated team of the AOG desk and an expert team for the aircraft engine and its stand transport.

**Airsea India** will leverage its experience gradually towards the entire supply chain to become an aerospace logistics company of choice.

## Airsea Forwarders India

Airsea Forwarders India Pvt. Ltd., (ASFIPL) is amongst the renowned customs house and international logistics agents headquartered at Chennai, India. Airsea Forwarders was incorporated in 2010. We have customs house license (Customs Broker's), IATA license and freight contracts with all leading airlines / shipping lines.

ASFIPL has grown over the years in clearing and forwarding along with related Freight Forwarding business activities. Today the company is well equipped with latest communication tools and well trained staff to handle the regular and complex issues in the business with ease. Our Offices in the city as well as the Airport limits assure you an efficient and quick service even at a short notice.

We provide quality services for clearance of both export and import consignments at Seaport's/ICD's and Airport's at Chennai/Bengaluru/Hyderabad/Mumbai/Delhi - We operate through our dedicated partners for clearances at Vishakapatnam, Mundra, Kolkata, and Cochin.

## Warehousing

Located near the industrial hub, ASFIPL has the "know-how" and expertise in warehouse management systems. We manage our warehouse storage with 100% security, with all facilities for loading / unloading, physical scanning and stacking of goods. We provide transportation services for pickup and delivery. We also provide cleaning services for metal pallets.

## International Freight Forwarding

To bridge the complex, competitive divide between the delivery of products, from source to end-destination, for quick sale thereof, requires extensive experience and specialist knowledge that ensure that logistics and all commercial and statutory documentation satisfy international trade requirements.

As a freight forwarder, ASFIPL is an expert and experienced "Know-how" partner in commercial matters, multimodal transports, import and export processes and regulations, as well as the most effective Route Planner from supplier to delivery destination.

## Air Logistics

We are registered as CONSOL and IATA agents in PAN India. Dedicated vehicles ensure rapid collection and dispatch from all the cargo handling facilities at the airports. We handle import consolidation as well as back to air shipments for exports. Airfreight remains the premium form of transport when the requirement is for swift international delivery, exact arrival times for order fulfilment and product availability, just-in-time inventory (JIT) management, and products with limited life. With vast experience in the entire air cargo industry, ASIPL ensures space availability when you need it most. We are a reputable, creditworthy company with accounts at all airlines. Freight chartering is another area of expertise that we are well experienced in.

Our specialist air freight team satisfies clients who require the transport of perishable products as well as general cargo.

## Road Logistics

Road freight provides flexible regional transport, with expert skills in crossing border procedures, type of product and priority shipment handled.

This is for individual or consolidation loads in perishable produce as well as general cargo. Our own fleet enables us to control schedules and delivery priorities that we commit to.

## Sea Logistics

ASFIPL has the personal with more than 20 years of experience in sea freight industry. ASIPL has the expertise to secure space and best freight rates for both import and export shipments. We have the expertise to handle door delivery shipments. We handle FCL, LCL Shipments, Reefer containers, Over dimension cargo in Flat Racks, Break-Bulk and RORO shipments. We use our relationships with carriers and CFS's to leverage our clientele patronage.

## Buyer's Export Consolidation-Sea

If our customers receive cargo from multiple suppliers, we can consolidate their goods with our consolidation services.

## Optimized Utilization through Consolidation

We optimize the utilization of containers as part of our consolidation services. Dedicated containers are packed and sealed for final delivery at the customer's premises or straight to the end. We basically turn multiple LCL shipments into FCL shipments.

## FTWZ - Free Trade Warehousing Zone

We also offer FTWZ services to our customers. FTWZs are Deemed Foreign Territories / Ports / Warehouse for Storage and Other value added activities under the Customs Law. FTWZ units are allowed to hold inventory on behalf of Foreign Suppliers/ Domestic Buyer's
