

Samer&Co. shipping

Samer&Co. shipping

Shipping and forwarding since 1919

Samer Tradition and Global Reach

- **Samer & Co. Shipping** has a long standing tradition in supporting the development of international freight forwarding
- As part of the Samer Group, our international freight forwarding companies operate under the **Samer International** umbrella, each with its own independent organization in their respective regions

- 1919 • EWL Agency Company Limited is established in Trieste as the Italian outpost of the British ship owner *Ellerman & Wilson Lines*
- 1932 • The company is appointed Lloyd's of London Agents
- 1962 • Mr. Dario Samer becomes the first non-British manager
- 1972 • Appointed Agents for the Institute of London Underwriters
- 1982 • The Italian shareholders take over the company
- 1985 • The company name is changed into  **Samer&Co. shipping**
- 1994 • Italian ports are privatized, the company also becomes a port terminal operator
- 2016 • *Samer International* is established
- 2019 • Celebration of the company's first centenary
- 2021 • Entering the trading industry

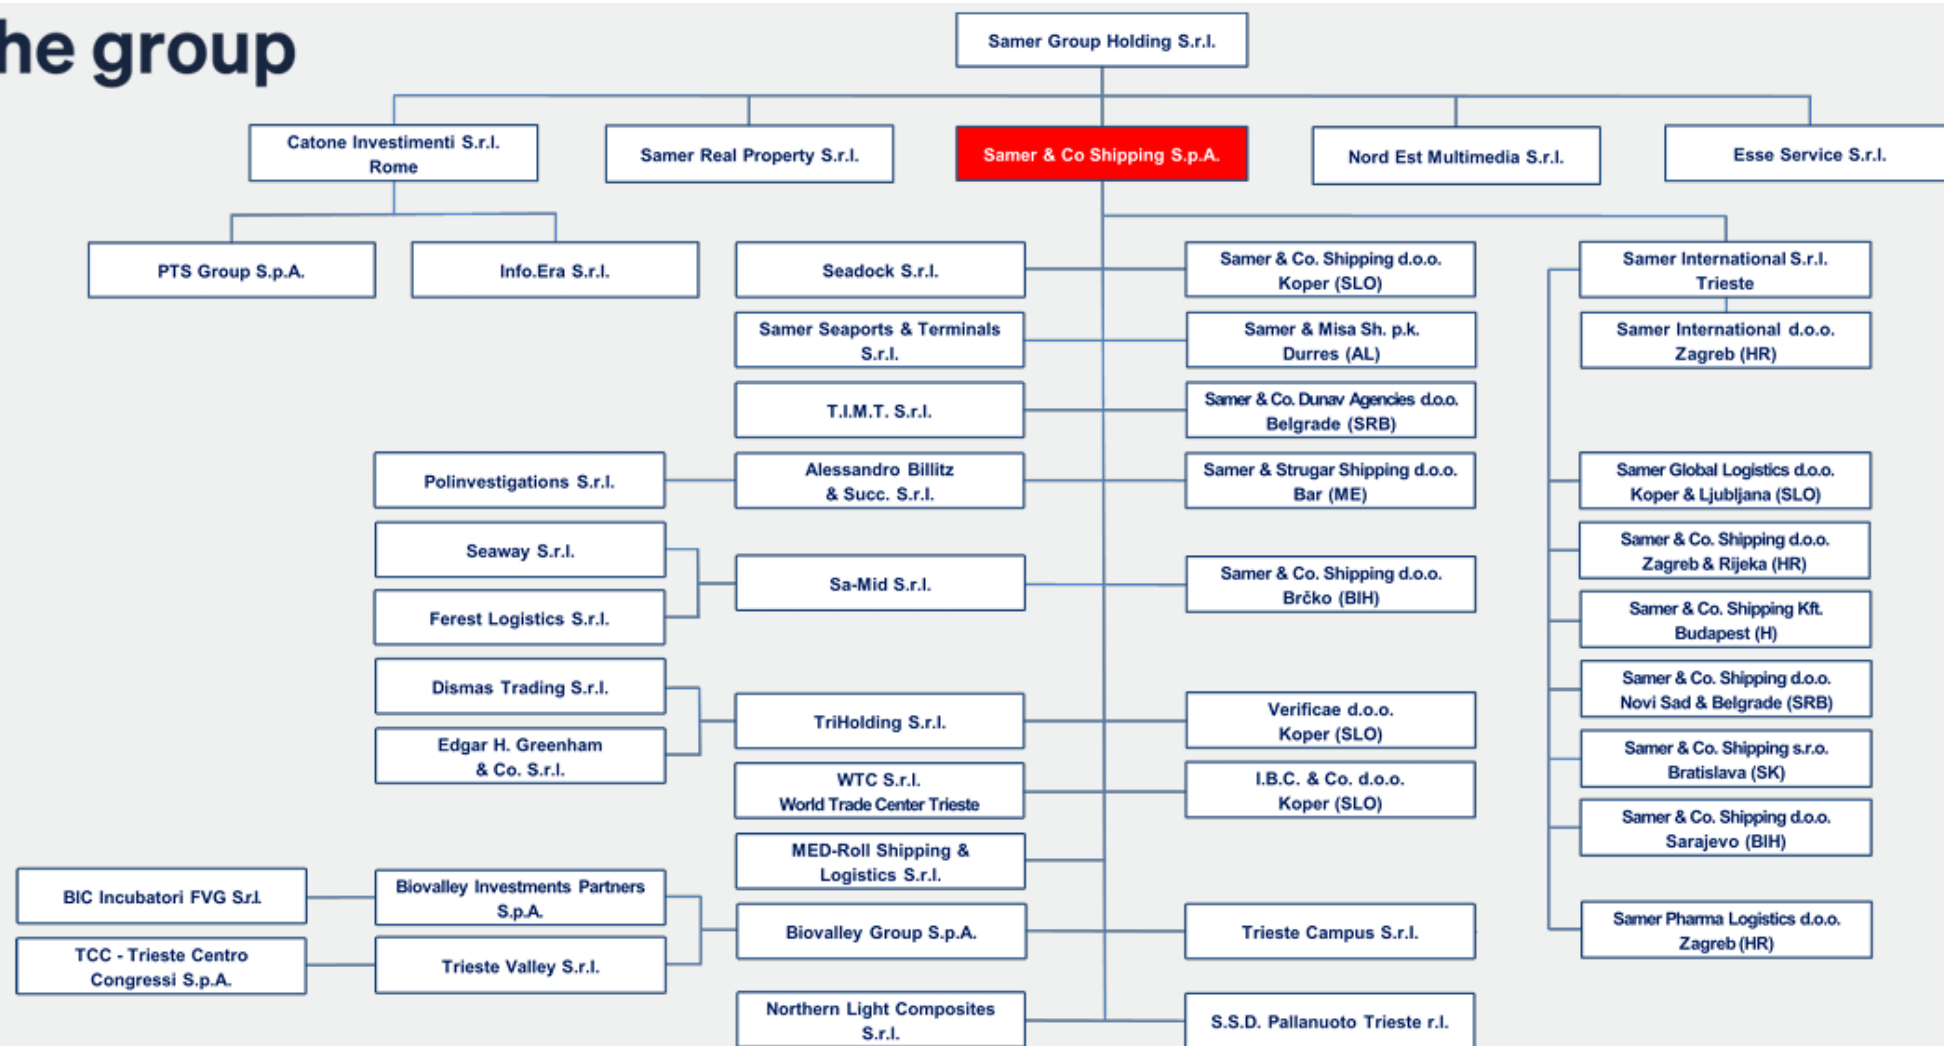

Shipping and forwarding since 1919

The group

Unlocking Logistics in the Balkans and Central Europe

- **The Challenge**

Freight forwarders without local offices in the Balkans and Central Europe often face logistical challenges with air, sea, and road shipments.

- **Our Solution**

Samer International provides a strong, on the ground network and expertise in these regions, handling all logistics needs with ease.

- **The Benefit**

Partnering with Samer International allows freight forwarders to expand smoothly into new markets, offering their clients reliable, seamless service across the Balkans and Central Europe.

Shipping and forwarding since 1919

You can find us here
